

AVANTAGES

- Surface filtrante optimisée avec des poches coniques
- Version économique
- Cadre en métal robuste
- Média filtrant synthétique

|                                                   |                                                                                                    |
